Notes

* Why do we ask for someone's Occupation? From time to time Homenetmen may need professional advice / service in a wide range of fields. Homenetmen prefers reaching out to its members and their families for this advice / service as they would have a better understanding of the organization and its needs.

** Why do we ask for someone's Employer? Many employer companies offer matching gift programs to encourage employees to contribute to charitable organizations. Some provide matching funds to support employee volunteer hours. Most of these programs match contributions dollar for dollar, and some will even double or triple the amount of your gift! Homenetmen would reach out to you first should any of these programs apply to your place of employment.
